CSCI 3160 (FALL 2014/15)
USER INTERFACE DESIGN

# Class Questionnaire

1. Name _____
   Given                                    Family

2. Dal ID#   B00 _____

3. Nickname _____

4. Are you working outside of school? □ no / □ part-time / □ full-time
   If so, where?

5. Please tell me about your background:
(a) How much *experience* have you had with

| | |
|---|---|
| software design | none / a little / some / a lot |
| user interface development | none / a little / some / a lot |
| user interface evaluation | none / a little / some / a lot |
| computer graphics | none / a little / some / a lot |
| cognitive psychology | none / a little / some / a lot |
| programming with GUI builders | none / a little / some / a lot |
| statistics | none / a little / some / a lot |
| statistical packages | none / a little / some / a lot |

(b) Which of the following courses have you passed?

□ CSCI 2110        □ CSCI 2132        □ CSCI 2141/INFX 2640 *or* CSCI 2140
Computer Sci III     S/W Development      Introduction to Database Systems      Data & Know. Fund.

□ INFX 1616        □ INFX 1690
App$^n$s of Computing   Project Mgmt . . .

6. Are there people in this class that you would either like to work with or not work with? Who are they?
   (These answers are confidential.)

| I'd like to work with . . . | I don't want to work with . . . |
|---|---|
| | |

For e-mail messages sent to the entire class I will be using the address that Dal's faculty of Computer Science (FCS) assigned you. If I need to contact you another way I may use the personal information you registered with Dal and available from DalOnline.

□ ***Only if*** you do not have a user account from the FCS then please check to indicate that I should use your Dal address for e-mail to the entire class instead.

7.  Why do you want to take this course?
    □ *Only* because it is required   □ Because it is required *and. . .*   □ As an optional course because. . .

8.  What do you expect to learn by taking this course?
    Also: How do you expect to improve yourself by taking this course?

A number please, not 'as many as it takes'

9. How many hours a week (outside of lectures) do you *plan* to devote to this course?

10. Please indicate briefly what your employment aspirations are (following graduation from university).
    Also: What past work experience you may have had in user interfaces design, testing, and related areas?

11. Is there anything else you think the professor should know about you?
