

Today's Date: _____ Course: _____

Mid-semester Teaching Assessment

Please answer these questions carefully. They will help your professor to help you better. If you need more room to explain something you may use the space on the back of this page, or include an extra page of your own.

1. What new things do you think the professor should *start* doing to help you learn the material better?

2. Are there any things that the professor does in class that they should *stop* doing?

➡ Continues overleaf ➡

3. What things does the professor do in class that help you to learn the material and that they should *continue* doing?

4. Something I do not quite understand yet is ...

I have made more comments on the attached sheet(s)
